RECOMMENDED USES FOR NUTRIGANIC™ Mn 0-6-0

Uniformly apply the suggested rates in the following amounts of water per acre.

COMPATIBILITY: This product is compatible with most crop protection materials. A compatibility test is recommended when using new combinations. Consult a Nutrient TECH™ representative for more detailed information.

FOR FOLIAR APPLICATION

	Dilution	Rate	Application Timing
Field, Row & Vegetable Crops	By air: 3-20 gal By ground: 5 gal min	1 pt - 4 qts	Apply every 1-4 weeks as needed, starting pre-bloom

For **Asparagus** do not exceed 2 qts per acre per application.

Tree & Vine Crops	By air: 10 gal min By ground dilute: 100-500 gal By ground concentrate: 25-100 gal	1 pt - 4 qts	Apply every 1-4 weeks as needed, starting pre-bloom to post harvest
-------------------	---	--------------	---

For **Kiwi** do not exceed 2 qts per acre per application.

For **Citrus, Walnuts, Pistachios and other deciduous tree nuts** maximum rate 6 qts per acre per application.

In oil sprays: use 1-4 pints per 100 gallons

Minimum dilution rate: 1 quart per 3 gallons

NOTE: Product may leave a visible residue. Do not use within 3-4 weeks of harvest on crops where visible residue is a concern. FOR TABLE GRAPES: Do not apply within 6-8 weeks of harvest.

NOTE FOR GRAPES: Applications of this product with micronized sulfur products at early cane growth may cause tissue damage to young growth.

FOR SOIL APPLICATION

	Rate	Application Timing
For All Crops	1 qt - 12 qts	Apply to root zone every 1-3 weeks as needed

Do not apply with phosphate or sulfate fertilizer products. Any previously applied phosphate or sulfate fertilizer should be thoroughly flushed from fertigation equipment prior to application of this product. Apply the product slowly into fertigation equipment in the early part of the water application. Do not apply using drip irrigation systems.

Store in a cool, dry, well-ventilated area away from heat, combustible and incompatible materials. Dispose of unused contents, container, and other contaminated wastes in accordance with local, state, and federal law.
