

IDEAL FOR EARLY GROWTH APPLICATIONS

6.5% Zn and Mn

BETA 0-6-0

- Promotes fruit and bud set
- Encourages vegetative response
- Improves quality of produce: size, color, sugar, and firmness
- Improves storage, handling, and shipping properties of produce

BETA 0-6-0 provides the essential nutrients necessary for healthy early season growth of trees and vines. The vital nutrients provided by BETA support energy, plant hormones and enzymes that influence growth, fruit set, fruit size, fruit quality, fruit finish, and return bloom. BETA 0-6-0 delivers a crucial foundational building block for a season of success.

- 1. Concentration:** Drives nutrient analysis up; reduces risk to crops
- 2. Compatibility:** Quality, reliable products highly compatible with most mixes
- 3. Availability:** Proven nutrient uptake via foliar, root, and soil application
